## Over 30 Years Serving Alaska!

Summit Logistics was incorporated in 1982 for the demobilization of pipeline construction camps. Later in 1989 during the Exxon Valdez Oil Spill, Summit Logistics provided temporary housing and office space to aid in clean-up efforts.

The past 14 years have been spent refining modular buildings to accommodate Alaska., serving industries such as oil/gas, mining, construction, military, etc., specializing in remote site and extreme weather applications.

Located in Fairbanks, and strategically positioned to support projects state-wide, Summit logistics maintains the largest inventory of office/break trailers, and connex shipping containers for immediate sale or lease.

Midnight Sun Chapter

## Bobbie's Bulk Brisket Rub

Midnight Sun ASSP

<https://midnightsun.assp.org/>

- 1 cup course kosher salt
- 1 cup black pepper
- 1/2 cup onion powder
- 1/2 cup garlic powder
- 1/2 cup smoked paprika
- 1/8 cup cumin

Pour all seasonings into a mason jar to store. Generously season your brisket before smoking it with this rub. I highly recommend using a binder of choice (Mustard, hot sauce, etc.).
