## President's Memo

I just returned from the fall ASSE Region 1, Operating Committee (ROC) meeting in Burbank. These meetings are a required part of maintaining our chapter and occur twice a year. The current chapter presidents or their proxy are gathered to discuss regional business, share successes and challenges, network with other chapters, and make decisions for the region. Our region is comprised of 19 chapters from 5 states (Alaska, Washington, Oregon, California, and Hawaii), with a total of 5400 members.

Our Regional Vice President (RVP) has been required to visit all 19 chapters within their 2 year term along with maintaining their normal full time job. This is a task that takes quite a bit of time, energy, and resources. ASSE has been working to restructure the regional leadership to help reduce the workload of the RVP. Last spring, the ROC voted to adopt the Area Director model to help solve this problem and established a sub-committee to look at ways to define how it would look for Region 1.

This fall, the ROC voted to establish three Area Directors and defined how the model would look. Alaska, Washington and Hawaii will be one area comprised of six chapters. Oregon and northern California will make up another area, also with six chapters. Southern California will make up the third area, with seven chapters. During the meeting, working groups formed naturally based on the new area model, and we immediately began networking within our newly formed area. I believe Alaska, Hawaii, and Washington have a unique trade relationship and believe that the area model joining our chapters will work well.

Thanks for being part of a great network of professionals.

## Silent Auction Fundraiser

We will be having a silent auction fundraiser at our December meeting. This is a perfect opportunity to do a little Christmas shopping and support our chapter at the same time! We are looking for auction items, so if you have anything to donate, please contact Tina Holland at [sandtholland@gmail.com](mailto:sandtholland@gmail.com). Tina has graciously agreed to collect the items and hold them until the December meeting.
